## Disconnect Fee:

Whenever any service is terminated for nonpayment as provided for in Section 14.04.191 of the Arkansas City Municipal Code, the customer shall owe to the City, in addition to all incurred costs and fees for services provided, a disconnect fee of Thirty-Five Dollars (\$35.00). The City will waive such disconnect fee should the entire overdue balance be paid in full by a non-profit and/or charitable organization.

## Payment of Bills:

- A. All accounts payable to the City for water and other services shall be due and payable upon receipt and shall be deemed delinquent if not paid on or before the delinquent date, which shall be no less than 25 days after the billing statement is issued. Those accounts not paid in full on or before the delinquent date shall be assessed a penalty of five percent (5%) of the amount due shown on the billing statement. For those accounts not paid in full on or before the delinquent date following the billing date, all accounts and charges currently owed shall become immediately due and shall be deemed delinquent.
- B. Service at other locations, or new service to any address, may be refused by the City until the previous delinquent accounts as indexed against the new customer are paid in full; should the City become aware of service to an existing account holder which is delinquent for nonpayment at another address, existing service may be terminated if the delinquent accounts are not paid within forty-eight (48) hours after notification is sent.
- C. The account holder shall pay all costs the City pays to a third party to collect the delinquent account, including, but not limited to, court costs, attorney's fees of 33.33 percent of the delinquent amount, and/or any other collection agency fees, including a 25 percent fee on accounts sent to the Kansas State Set-Off Program to fully reimburse the City for collection of the account through that Program.

# Public Works Department Water Utility

- A. Every consumer shall pay for each new water service installed, which includes the water raw tap, service line and meter installation. The customer or contractor must have the water main ready for immediate tap. Therefore, these costs do not include removal and replacement of pavement or excavation costs. The customer or contractor must submit plans to the Public Works Department for approval prior to construction a new service. A tap work order will not be issued until Public Works verifies and approves the plans and appropriate payment arrangements.

1" Tap, Service Line and 5/8" meter (25 gpm)	\$ 850.00
1" Tap, Service Line and 3/4" meter (35 gpm)	\$ 1,500.00

Relocate 1" or smaller meter set and meter pit	\$ 850.00
Reinstall 1" or smaller meter in existing meter pit	\$ 450.00
* Costs include water main tap, meter/detector check valve and installation in customers vault only. All piping, valves and vault shall be the responsibility of the customer or contractor.	
Note: Public Works will always be responsible for the service line and meter set on 1" or 2" taps.	

- B. When an account is placed in a customer's name, or when a customer transfers from one account to another, a nonrefundable account service charge in the amount of Twenty-five Dollars (\$25.00), payable in advance, shall be levied to cover the costs of servicing the new account or the transfer request.
- C. The City offers three sets of water rates to users depending on their classification: Inside City Limits, Outside City Limits or Wholesale Customer.
- D. Sales tax and other state fees will be applied to customer bills when applicable according to state law and other regulations.
- E. Bulk water rate shall be ten dollars (\$10.00) per thousand gallons. A fifty dollar (\$50.00) metering fee shall be charged when applicable.

**WHOLESALE RATES AND CONTRACTS ARE NEGOTIABLE FOR LARGE CUSTOMERS.**

# Public Works Department Sewer Utility

- A. There is levied on each sewerage system user having any sewer connection with the sewerage system of the City or otherwise discharging sewage, industrial waste, or other liquids, either directly or indirectly into the City's sewerage system, a sewer service charge. Subject to the exceptions provided in this chapter, such charge shall be based upon the quantity of water used in or on the premises as the same is measured by a water or sewage meter or meters approved by the City. Additional charges for extra strength sewage, toxic pollutants, and sewage monitoring will be levied where applicable.
- B. The monthly charges for residential and public customer classifications shall be based on the average monthly billing of water usage during the calendar months of January, February, and March billing cycles. The billing of April of each year shall first reflect the base usage so determined. Commercial and industrial charges shall be based on one hundred percent of monthly metered water usage. New residential sewer customers will be assessed a minimum of 4,000 gallons sewer average until a three month average over January, February, and March billing cycles can be established. Customers may request one recalculation of the sewer average based on the most prior consecutive three months usage prior to the request.
- C. Sewer Service Rate: The following rates are established for all customers for the use of the City's sewerage system:

Description	2014	2015	2016	2017	2018
