ACPD arrests Winfield woman on suspicion of meth possession

Keith also arrested Friday on suspicion of possession of drug paraphernalia

ARKANSAS CITY, Kan. (September 6, 2016) — A Winfield woman was arrested Friday night by the Arkansas City Police Department on drug charges at a motel in north Arkansas City.

Tiffany Marie Keith, 24, was arrested on suspicion of possession of drug paraphernalia and possession of methamphetamine.

She was transported to and booked into the Cowley County Jail in Winfield in lieu of \$6,000 bond through Cowley County District Court in Arkansas City.

Keith since has posted bond and been released.

Police responded around 8:20 p.m. Friday to a possible disturbance in a motel room at America's Best Value Inn, 1617 N. Summit St. They made contact with Keith when they arrived at the motel.

She denied any disturbance in the room. Officers later obtained consent to search the room, where they located methamphetamine and drug paraphernalia. Keith then was arrested in connection.

A defendant's guilt or innocence is to be determined by a court of law.
