News Release

West Poplar Avenue will be closed Monday for several days

Closure necessary for the replacement of drainage culvert under roadway

ARKANSAS CITY, Kan. (October 16, 2020) — Starting Monday, West Poplar Avenue will be closed for at least three days so a stormwater drainage culvert underneath the roadway can be replaced.

The Public Services Department will close Poplar between Fifth and Seventh streets on Monday.

Residents who live in that neighborhood should plan to use alternate routes.

Any vehicles normally parked in this section of street must be moved prior to 8 a.m. Monday.

Access to the disc golf course at Robert Cox Memorial Park will be available from North Fifth Street.

For questions about this stormwater project, call the Public Services Department at [\(620\) 441-4480](tel:6204414480).

"Thank you for your cooperation and patience during this necessary stormwater maintenance project," said Public Services Superintendent Tony Tapia.
